

August 24th

Back to School Night

Wednesday @ 6:00 – 7:15

New Structure

Classrooms will present twice...once at 6:00 and once at 6:40 so that you can catch two presentations if you more than one child here.

During those same times, Principal Burch will be giving a brief overview of the direction of our school and introducing you to two exciting new initiatives we are rolling out this year.

Important Dates

- 8/29 Back to School Night
- 9/5 Skate City
- 9/12 Picture Day
- 9/13 PTA Meeting(3:45pm/Library)
- 9/13 BAC(5:00pm/Library)
- 9/14 Field Day
- 9/20 OELS Parent Meeting(6-7:30pm/Library)
- 9/21 No School

Thanks to PTA for a great start to the year. Last year's fundraising is being used for new Library furniture. It should be arriving very soon...we are very excited. Thanks PTA....you are the BEST.

We practice fire drills within the first ten days of the school year. We drill so that in the case of a real emergency, we are prepared. Our Head of Jeffco Security says, **"Be emergency prepared, not emergency scared!"**

August 24th

Want to be part of the Blue Heron's Accountability Committee? Join us at BHAC at 5:00 one Thursday each month. Specific dates coming soon.

Golf Squad at Blue Heron Elementary is for both new and continuing students and provides weekly opportunities for your child to learn the technical swing mechanics (i.e. putting, chipping, full swing, etc.) as well as the social skills required to enjoy golf, the clubs, and golf course (i.e. vocabulary, etiquette, rules, history, etc.) all under the instruction of an LPGA or PGA Professional. Golf is a very challenging and fun sport that can lead to college scholarships.

So start early and start now...boys and girls! Even if your child already plays, it is great to enjoy weekly, convenient lessons from the pro. (Click Here to read more on how and why your child can benefit from continuing professional, golf practice with Golf Squad at your school.)

Below is the Blue Heron Elementary specific link with additional info and online registration:

We look forward to building the foundation to enjoy golf for a lifetime together!

Dear Blue Heron Parents

Wouldn't you love to have your child's Outdoor Lab fees paid for at no additional cost to you? If so, we have the perfect "fundraiser" for you! The Outdoor Lab Foundation has created a way to raise funds for your child while you complete your weekly grocery shopping. King Soopers and Safeway offer re-loadable gift cards that you can purchase from the Outdoor Lab Foundation and use every time you grocery shop or gas up your car at one of their stores. Each time you load the card(s) with money, the stores will donate five percent of the amount you loaded on your card(s) to your student's account. Students in kindergarten through sixth grade are eligible to participate.

The best part is that even if you switch schools within Jeffco the money will follow your student to 6th grade. Please click on the link to order your card today!
