

# Club Amigos

Club Amigos, Colorado's Premier Spanish Enrichment Program, is pleased to offer another year of classes at Blue Heron. The program is open to students in grades K through 5 and spots fill up on a first come, first served basis.

The program runs all year, separated into 7 or 8-week sessions, payable per session or for the entire year. Each session covers a different topic, starting with vocabulary, then progressing to phrases and sentences. The goal is to introduce your children to Spanish and have them retain what they learn.

The program's lessons and games are fun and engaging. Classes are taught by Señorita S, a certified Spanish teacher, musician and published author. Her book and CD have sold out, but she is working on ways to make it available online.
